

JOB DESCRIPTION

CITY OF
ST. CATHARINES

		Employee Group	CUPE Local 150
Job Title	Arborist II	Pay Group	11
Department	Transportation and Environmental Services (TES)	Division	TES Operations
Supervised By	Foreman III	Directs	Arborist I, Truck Driver, Labourer, Seasonal staff, Students

SUMMARY OF DUTIES:

To perform tree pruning and removal operations within proximity to electrical apparatus, to inspect and evaluate woody plants, and provide direction to forestry crew on site in the absence of the foreman.

DUTIES AND RESPONSIBILITIES:

(These set out the principal functions of the position, and shall not be considered as a detailed description of all the work requirements.)

1. Perform tree inspection and evaluation when required with knowledge of tree biology, species, varieties and related growth and cultural requirements for healthy specimens.
2. Assist in the monitoring and identification of tree pests, diseases, problems and potential hazards.
3. Organize, control and supervise jobsite, including holding work protection and completing all relevant documentation.
4. Prune or remove damaged, diseased, dying or overgrown trees according to current policies and procedures and generally accepted arboricultural practice(s).
5. Ability to prune trees in an appropriate and aesthetically pleasing manner.
6. Operate brush chippers with or without hydraulic winch lines.
7. Operate dielectric and arborist tools to clear limbs and suckers from hydro wires, traffic signs, sidewalks and other structures and assets as required.
8. Use ropes, saddles, climbing equipment and/or rigging to safely prune or remove trees.
9. Operate aerial truck with hydraulic lifting device; inspect the site for access and positioning of the truck. Assist other departments and agencies as required.
10. Perform tree surgery, by cabling, bracing, bark tracing and cavity filling, as required.
11. Develop and implement a traffic protection plan in accordance with Ministry of Transportation of Ontario Traffic Manual, Book 7: Temporary Conditions.
12. Ensure proper clean-up of job site.
13. Ensure that work is in accordance with relevant codes and specifications.
14. Ensure all equipment is properly maintained & safely operated, check on a daily basis and perform preventive maintenance and minor repairs.
15. Perform other similar and related duties, as required.
16. Provide functional leadership as required to accomplish the goals of the department.
17. Operate equipment in a safe and efficient manner according to all relevant legislation, policies and procedures.

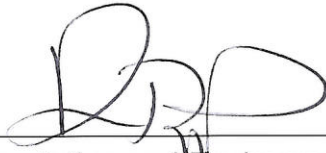

18. Ensure trucks and equipment is safely and securely stored.
19. Complete paperwork as required, i.e. statistic sheets, time sheets and accident reports.
20. Provide excellent customer service; respond to needs of all customers and staff as required.
21. Perform other similar and related duties as required.
